

# **Yellow Card** Centre Scotland

Do **your** part to improve medicines safety in Scotland—  
report side effects to medicines via a Yellow Card.

The Yellow Card Scheme aims to identify potentially serious side effects to medicines.

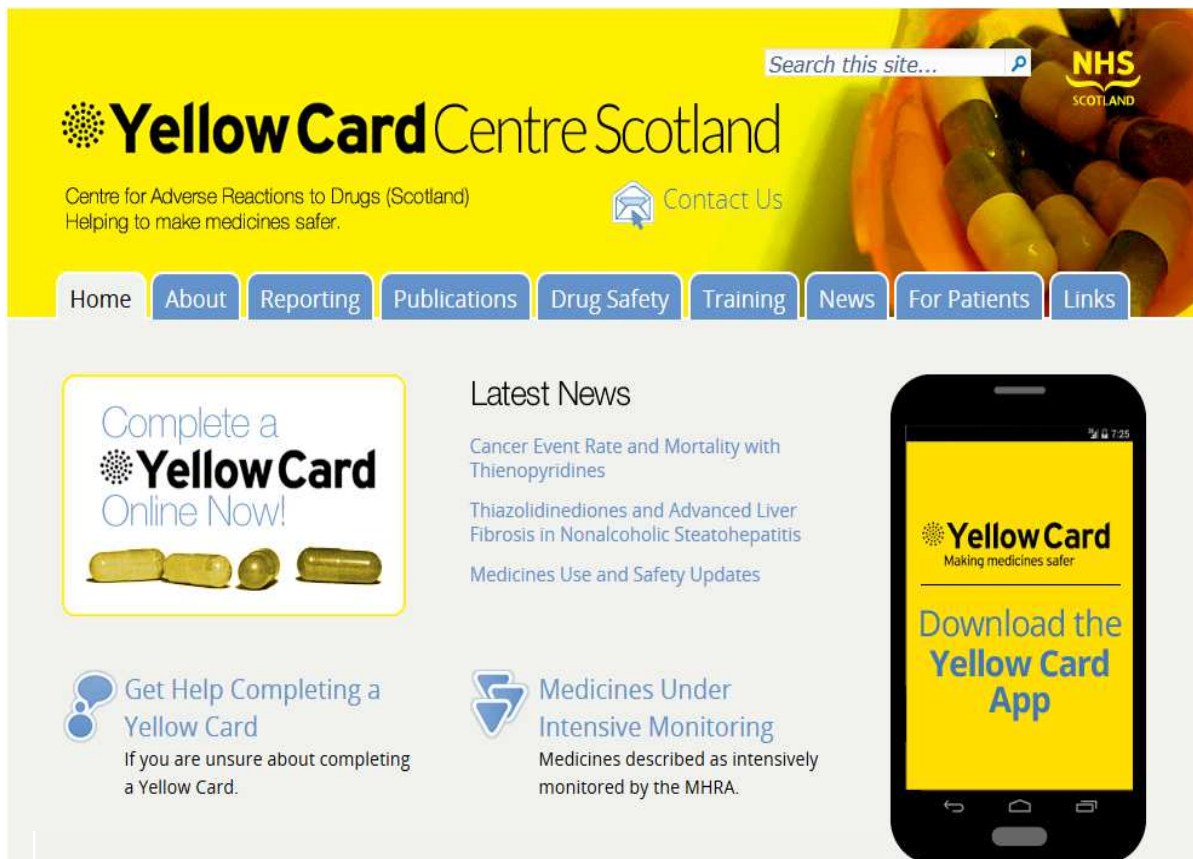

What can I report?

- Side effects to medicines, vaccines and herbal remedies
- Counterfeit medicines
- Defective medicines
- E-cigarettes

The screenshot shows the homepage of the Yellow Card Centre Scotland website. At the top, there is a search bar with the text "Search this site..." and a magnifying glass icon. To the right of the search bar is the NHS Scotland logo. Below the search bar is the main header with the Yellow Card logo and the text "Yellow Card Centre Scotland". Underneath the header, there is a navigation menu with buttons for "Home", "About", "Reporting", "Publications", "Drug Safety", "Training", "News", "For Patients", and "Links". The main content area is divided into several sections. On the left, there is a box titled "Complete a Yellow Card Online Now!" with an image of several pills. Below this box is a section titled "Get Help Completing a Yellow Card" with a speech bubble icon and the text "If you are unsure about completing a Yellow Card." In the center, there is a "Latest News" section with three news items: "Cancer Event Rate and Mortality with Thienopyridines", "Thiazolidinediones and Advanced Liver Fibrosis in Nonalcoholic Steatohepatitis", and "Medicines Use and Safety Updates". Below the news section is a section titled "Medicines Under Intensive Monitoring" with a blue arrow icon and the text "Medicines described as intensively monitored by the MHRA." On the right side of the page, there is a smartphone displaying the Yellow Card app interface, which includes the Yellow Card logo, the tagline "Making medicines safer", and the text "Download the Yellow Card App".
